

Pass the Piggies

This game is a tribute to the wonderful 'Pass the Pigs'. Hopefully it will bring back many happy memories and perhaps make some more! And yes the game really works!

The piggies can also be made just for fun and brighten up any nook or cranny.

You will need:

- < 25g Pink (DK/Light Worsted), I used alpaca
- < 25g Blue (DK/Light Worsted), I used cotton (It needs to be quite stiff)
- 5mm safety eyes
- Button
- A little stuffing

Round 2: Work normally (through both arms) without increase [6]

For the next section of the pigs, two stitches will always be worked without increase. Mark these out with pins or sections of yarn. I will refer to these stitches in brackets {2} they will form the bottom of the pig.

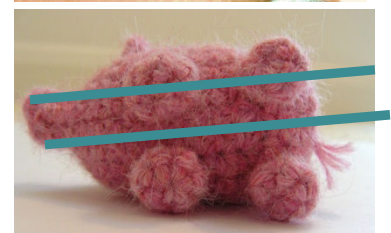

Round 3: {2} Inc 4 sts evenly – (2 sc in each st to end) [10]
